

TARRAVILLE.

(From our own correspondent.)

The impressive ceremony of unveiling the Tarraville school honor roll was carried out in the school at 2 p.m. on Friday, 6th inst., in the presence of the school children and a large number of local residents. An addition to the attractiveness of the interior of the school—which is well-equipped, and has lately been supplied with dual desks—is the honor roll, containing 51 names, artistically printed by Mr. R. E. H. Newberry on a finely carved board of figured blackwood. The privilege of subscribing to the honor roll fund was given to Tarraville people alone, and everyone was eager to give.

The chair was taken by the local councillor, Mr. N. J. Christensen, who explained the purpose of the meeting, and called on Mr. L. Wookey, a returned soldier, and old boy of the school, to unveil the honor roll. This was followed by the singing of "God Bless Our Splendid Men." Addresses suitable to the occasion were then delivered by the Rev. Mr. Raymond, the Rev. Mr. Walklate, Mr. Robt. Corrie, and Mr. Spalding. The singing of the "Marseillaise" and the "National Anthem" closed a function worthy of "the boys" and worthy of the school. The Rev. Mr. Tamagno and Cr. Barry would have cancelled prior engagements in order to be present if it were possible to do so. A pleasant surprise for the children was a bountiful supply of oranges, thoughtfully provided by Mrs. Edwin Ray, and lollies by the Co-operative Store and Mr. W. C. Growse.

At night a euchre party and dance in the Tarraville Mechanics' Hall was used as the medium for raising funds for the British Red Cross. The result was entirely creditable to all concerned, as by this means, and with the addition of an amount of £2 10s collected by the school children, a cheque of close on £20 will be sent in response to the special appeal of the British Red Cross. The euchre prizes were donated by Mr. McKerrow. The ladies of Tarraville, with their usual generosity, provided refreshments both in the afternoon and night, and the sale of food, not required helped to materially increase the amount already netted. Where all helped so well it is impossible to single out any individual for special mention. It would be difficult indeed to find a small community where the people pull so well together as the people of Tarraville. A word of praise should also be given to the children, who did their best to help. Three of them—Misses Hilda Lang, Marion Lang and Mabel Lang Tip—have received young workers' certificates.
