

## Falconer Honour Roll Unveiled

An honour roll of ex-pupils of the Falconer Public School who served in World War II was recently unveiled at the school.

There was a large gathering present at the ceremony, including mothers and relatives, as well as many ex-service personnel.

Mr. George Kane (president Falconer Parents and Citizens' Association) occupied the chair and welcomed the visitors.

Mr. W. J. Brodie (president Guyra Sub-branch R.S.S. and A.I.L.A.) performed the unveiling ceremony.

Falconer school had a proud record, said Mr. Brodie, referring to the fact that 31 ex-pupils had joined the services during World War II, including two young ladies.

Of the 38 Guyra district servicemen who made the supreme sacrifice, four were from Falconer. Mr. Brodie concluded by saying that he looked forward to the day when those who returned would be justly rehabilitated.

Mr. O. R. Pearson (honorary secretary Guyra Sub-branch R.S.S. and A.I.L.A.) said that he felt sure that all the mothers present would be very proud on this occasion, especially Mrs. Davidson, whose five sons' names appeared on

the roll. He handed the roll to Mr. Jack Marshall, an ex-pupil whose name was included on the board, to hang it in a permanent position in the school. Messrs. Jack Marshall and Dick Davidson responded on behalf of local ex-ser-
